

# OLIVER!

## Set Rental Guide

# Overview

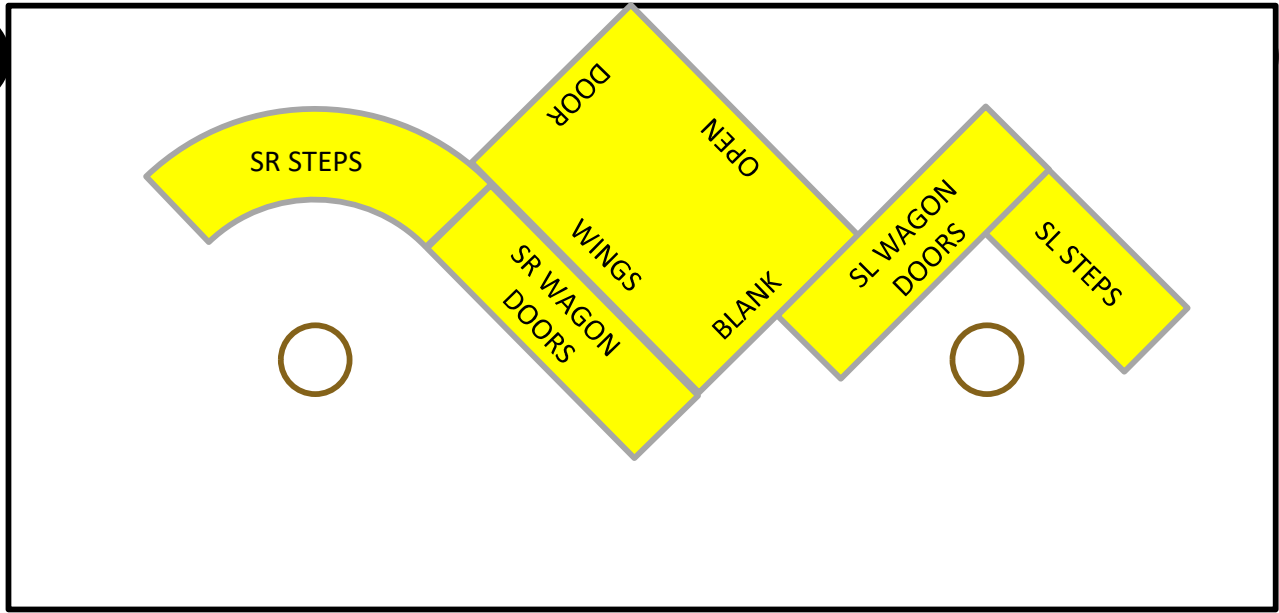

The 5 primary elements, including a centerpiece, two wagons (with working barn doors) and two step units (one curved) are easily reconfigurable to create all scenes, including the Workhouse, the Parlor, Sowerberrys, Fagin's Lair, Brownlows, the Tree Cripples, London Bridge and the street. The centerpiece plays 3 ways and includes a working door (Workhouse Parlor) and two large-wing doors which open-up to reveal Fagin's Lair with ample interior space. An optional turntable is additional. There is a 2-sided wall unit for the Parlor and Fagin's Fireplace. Brownlows wall units and the bar are also provided. Smaller set and fly pieces are also available.
